| <b>Award Description</b>                     | The Seattle Police Department (SPD) Internet Crimes Against Children (ICAC) Task Force has participated in the federal ICAC Task Force Grant Program since 2000. The funding from the OJJDP Recovery Act ICAC Task Forces will be used to prevent, interdict, investigate and prosecute offenders who victimize children. It is also an opportunity to promote economic recovery by retaining two positions and creating one new position. The program goal is to address the problem of an exponential increase in the number of child exploitation, child obscenity and pornography cases. SPD will address this problem by strengthening regional investigative capacity, analyze training deficiencies and investigative inefficiencies, and continuing public |   |         |

outreach/education to students and parents. The Recovery Act funding will provide the opportunity to purchase of a digital forensic van to assist with all forensic examinations and increase the effectiveness of moving cases faster to prosecution. SPD will serve as the lead agency within Washington State and will measure the program's success by several indicators: 1) the increase in the total number of participating ICAC affiliate agencies, 2) the percentage increase in the number of investigations, arrests, and prosecutions, 3) the number of attendees who complete investigative techniques training, and 4) the number of requests for technical assistance from affiliate agencies.

Program Analyst conducts initial outreach efforts to agencies in unaffiliated counties & maintains follow-up efforts on the pending interagency agreements. Analyst coordinated two training events for continuing education purposes on current & emerging technologies & ICAC best practices. In April, an ICAC IT class was held in Vancouver, WA. Program included 2-1/2 days of hands-on computer instruction, case organization techniques, management practices used in proactive investigations, crime scene response & management, suspect interrogation, an overview of available ICAC Resources, & applicable practical exercises. HTCI held a 3-day class in May on Specialized Investigative Techniques in Shelton, WA. The course taught how to effectively & properly obtain digital media evidence, comprehend proper techniques for collecting & storing cell phones as digital evidence, & recognize different types & styles of cellular phones & portable media storage. HTCI also taught techniques that will assist in identifying, tracking, & apprehending the predators who use these ?portal devices? as methods for exploiting their victims. Training events were collaborative efforts with the Vancouver PD, US Attorney?s Eastern WA District & Squaxin Island Tribal PD to secure venues & marketing these events to other affiliates.
